

Replacement Bags for Grantees: Thank you for your dedication to making event recycling happen in Georgia. As many of you begin to use your recycling containers, DCA has received a number of requests for replacement recycling bags for the containers. As a result of these request, the Office of Environmental Management has decided to provide replacement bags on a short term, first-come first-serve basis, while supplies last. These free bags are available only to recipients of the DCA Away-from-Home Recycling grant program. Non-grantee users can take advantage of state pricing discounts. See the order form here:

<http://recycle4georgia.org/documents/ReorderingSupplies.pdf>

To receive free replacement bags, grant recipients must first complete their reporting requirement in ReTrac:

<http://recycle4georgia.org/documents/ReportingRequirements.pdf>

Once you have completed your online reporting requirement you may apply for replacement bags by e-mailing DCA at recycle@dca.ga.gov.

Your request must include the number of bags you would like to receive. Please include a shipping address. These cases are large and will ship via UPS and cannot be delivered to Post Office boxes. Or you may schedule to pick up your replacement bags at DCA: 60 Executive Park South, NE Atlanta, GA 30329. If at all possible, please try to plan ahead and coordinate with your regional OEM staff representative to arrange for delivery or pickup, to reduce shipping costs.
